https://www.linkedin.com/in/sanjeet-kumar-706597s/

Skills

Hard Skills: HTML/CSS, Python, Excel (Advanced), Data Visualization Tools, API Integration, Figma, SQL, Power BI, NumPy, Pandas

Soft Skills: Communication, Critical thinking, Teamwork, Problem-Solving, Adaptability

Work Experience

Data Analytics Intern - Codec Technologies *Jul 2026 - Aug 2026*

Python, Excel (Advanced), Data Visualization Tools, SQL, Power BI, NumPy, Pandas

Worked on data analytics tasks involving Python, SQL, Advanced Excel, and data visualization.Applied Python, Pandas, and NumPy for data processing and analysis.Worked with data visualization tools to analyze and present data-driven insights.Applied analytical and problem-solving skills to practical data analysis workflows.Gained hands-on exposure to data processing, data analysis, visualization, and data-driven problem-solving.

Technical Projects

india weather analysis *2026*

Python, Data Visualization Tools, APIs, API Integration, Pandas

GitHub Repository

Python | OpenWeather API | Pandas | Data Visualization | CSV

- Developed a Python-based project to collect real-time weather data for Indian state capitals.
- Integrated the OpenWeather API to retrieve weather information including temperature and humidity.
- Used Python and Pandas to process and organize collected weather data.
- Created data visualizations to present weather-related information and insights.
- Stored processed data in CSV format for analysis and future reference.
- Applied practical skills in API integration, data collection, data processing, data analysis, and data visualization.

Problem Solving & Data Structures

LeetCode

Strong foundation in Data Structures and Algorithms, including arrays, strings, linked lists, stacks, queues, trees, graphs, hash maps, and dynamic programming. Proficient in Java and C++ for algorithmic problem-solving. Familiar with Big-O analysis and Object-Oriented Programming. Regularly practice on LeetCode and HackerRank. Scored 60%+ in the DSA Bootcamp Assessment, demonstrating skills in DSA, coding, and problem-solving.

Education

SAGE University Bhopal

B.Tech | Computer Science Engineering (2025 - 2029)

Project High School Pihra Gowan

Class XII (2025) **Percentage: 71**

UHS Hariharpur

Class X (2023) **Percentage: 71**

Certifications

- Prompt Engineering Mastery - Sunstone School of Technology (May 2026)
- UI/UX Professional Certification - Sunstone School of Technology (April 2026)

Achievements

- Recognized for outstanding Presentation Design & Content skills at the SAGE University Techverse event.
- Secured 60 percentage or above in the DSA Bootcamp Assessment, held at the SAGEB campus demonstrating proficiency in Data Structures, Algorithms, coding implementation, and problem-solving skills.
- Secured 60 percentage or above in the Industry Oriented Python for Transforming Data into Insights Assessment, held at the SAGEB campus, demonstrating proficiency in Python programming, data analysis and data visualization.
